A different morning than usual

No matter where we go, we'll always be best friends.

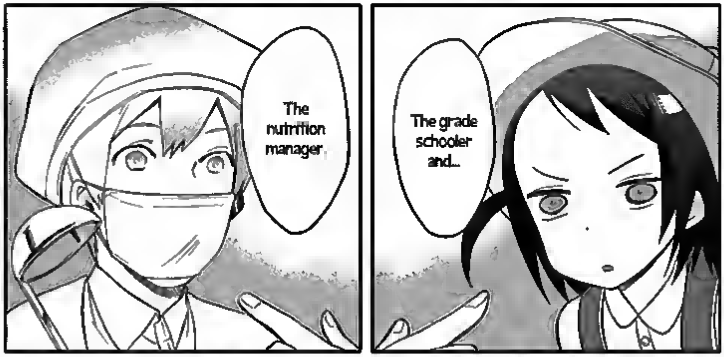
Please don't wave.
Yeah.

HARUKO REALLY AMAZES ME.
HAA...
Hey there! Did something happen?
ALTHOUGH I GUESS THIS ISN'T THE TIME FOR THAT, SINCE I GOT CONFESSED TO THIS MORNING
SO SPLENDIDLY
EVERY SINGLE DAY, SHE WALKS AROUND
I WAS RIGHT.
Don't read my thoughts!
EXCEPT FOR ONE PART YOU WERE RIGHT

My my, is this what I think it is?
YOU'RE ACTING LIKE A KID
Wait... you haven't opened it yet
How was it?
IF YOU THINK ABOUT IT RATIONALLY, THEN YOU WOULD CHOOSE THE SMALLER ONE
I don't understand what you're trying to say.
and the big box has misfortune. Basically, Suzume is telling us that greed isn't good.
I mean, remember the story of Suzume! The small box has fortune...

Your life as a couple is not like the ones of lover's.
This is my spot as your senpai in love.
Huh?



The nutrition manager
The grade schooler and...

That was absolutely worst feeling i've ever had
My heart isn't prepared yet!
Eat this!

The chance slipped away didn't it.
the letter at home
Please open
ドキドキ…
Why don't you let me read it now?
Unlike you, I'm a shy and naive girl!
Is that ok?
I still don't get it, with your character and your looks...
If it's like this, the latter proposal was your real intention, right?

DON'T MOVE YOUR HAND LIKE THAT
but I think I can manage if I look at the letter.
If I don't know his name, I can't search for him.
With this hand-writing...
Excuse me...
If I see the letter then I'm sure that I can properly confirm who you got it from.
Don't treat him like a criminal!
Ooh, so it's the idea of the criminal returning to the crime scene a second time!

Is it possible that he'd skip a class?
If he checks to see if the letter is still there, it would either be after school or at lunch break.
We're switching classrooms next.
Hmm... Considering his honest personality, it's not likely that he's skipping.
I see...
At least change your shoes before you leave.
That's like... so trouble-some.
Wait a second.

Oh!
It's P.E. for the 1st years.

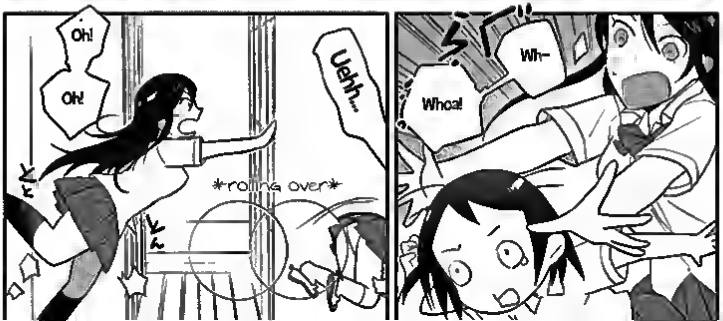
Didn't you already eat your bento?
You should settle for milk and anpan.
In a stakeout,
もぐもぐ
もぐもぐ

Isn't that suspicious?
Ah.
You're attentive in strange places, you know...
Fuath? (What?)

First year Mizutani-kun!!

Why is he in front of the second-year's shoe lockers?...



Oh!
Oh!
Uehh...
rolling over
Wh-
Whoa!

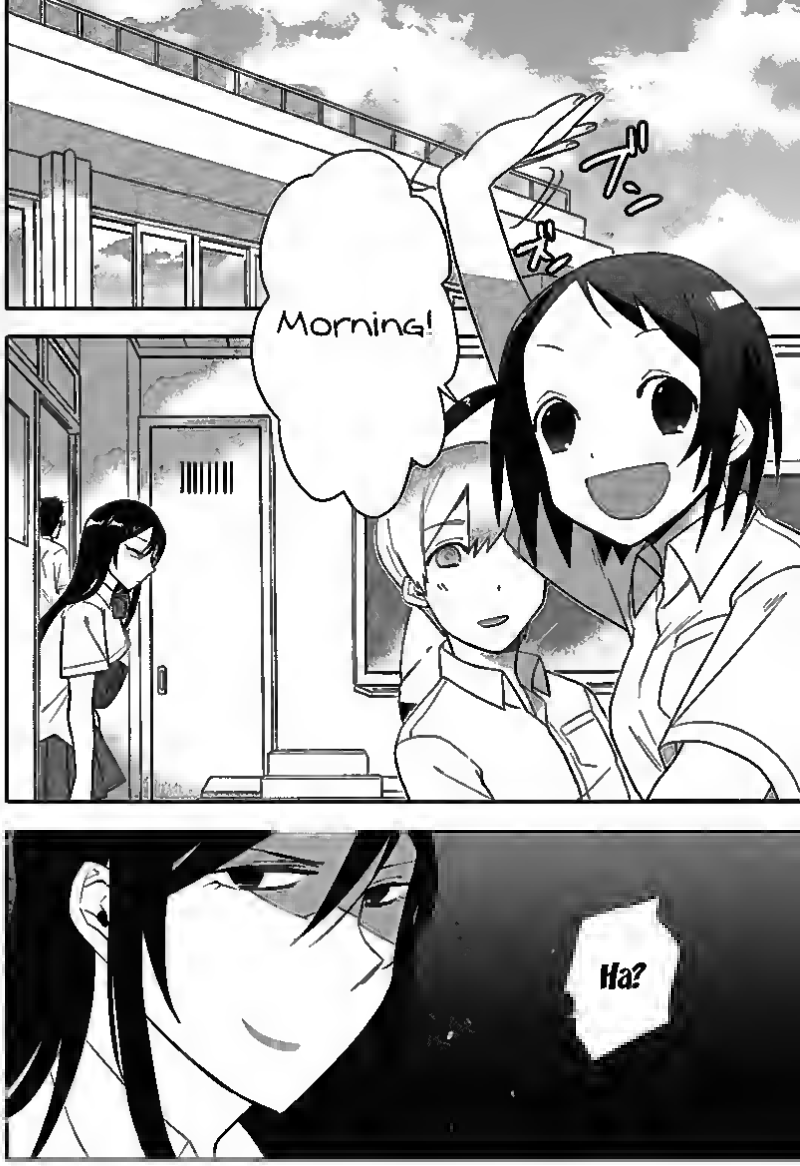
Kyah!

Uhm
Ah
Ah!
ヒョコ

Yune-san..?
Umm...
...sm...

Smell! our eyes met... but why did he have to run away!
The lester had such a nice feel to it..!
Is that so.
WHAT DID YOU THINK OF JUST NOW?
Ueh
...But, I wonder why.
After he passed through,
His scent... smelled like...
THIS IS HER MENTAL IMAGE

Isn't it said that a girl falls in love with a person who resembles her father?
It wasn't the smell of a middle aged man!
I THINK EVEN I HAVE A SIMILAR TASTE
My father...?
I wonder if I'll be able to open it...
All that's left is to open the letter and find out if it's really him.
MAYBE I'LL JUST CALL HIM
DO THAT ON YOUR OWN



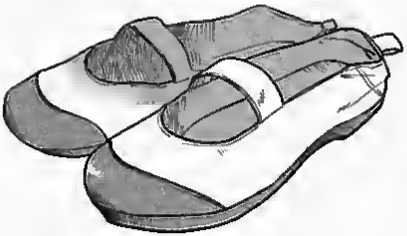
Morning!
Ha?

SLAM
Fue-hehe-hehe.
I was infected.

If you got infected, mankind would go extinct!
A big scab?!
I want to scratch it off, but I can't.
Foot?
Athlete's...
There's a good time and a bad time to be honest, you know.
Isn't it great? He actually told you it was him.
He probably just didn't want to cause an uproar at school...
My name is Mizu tani. I made a mistake on the break the other day. I put my shoes in your locker. By doing that I might have infected you with athlete's foot. Can you please forgive me?
So he wasn't embarassed...

Why didn't you tell me that sooner?
I thought you noticed.
IT'S TRUE THAT'S SO CONFUSING!!
This explains why the letter was sealed with a shoe instead of with a heart.
I've learned something as well...
It would've been fine to apologize in the locker room.
It's not a situation to run away from, is it?
My father has athlete's foot too...
IT WAS SMELL OF ATHLETE'S FOOT
Ahh, that smell.

Miss Yukko-chan, the demon!!



Is there new developement for miss Yukko-chan on the next page!!?

He didn't do it on purpose. You scared him didn't you?
What do you mean?
CLOSE YOUR LEGS
Is it OK for things to be this way?
I don't know. What I should tell him?
Will it be hard to solve the misunderstanding?
THAT WAS ALSO A POSSIBILITY!
What medicine is Mizumushi-kun using?
WELL WHATEVER

A new release!
